Summary

An undergraduate student at Indian Institute of Information and Technology,Sricity undertaking the computer Science and Engineering stream, having expertise in multiple Programming Language Paradigms, modern technologies and looking forward to pursue my career in software sector

Education

Indian Institute of Information Technology Sricity   *Chittoor, India*

Bachelor's in Computer Science and Engineering   *Sept 2020 - Current*

- Current CGPA : 8.2
- Lead numerous academic project groups
- **Courses:** Programming, Data Structures and Algorithms, Object Oriented Programming, Computer and Communication Networks, Signals and Systems, Database Management Systems, computer Organization and Architecture and Artificial Intelligence, Machine Learning, Natural language Processing, Full stack Web Development, Cloud Computing, Information Retrieval

Narayan Junior Colleger   *Vijayawada, India*

High School   *june 2018 - april 2020*

- Passed with GPA : 9.83
- Specialised in Physics, Chemistry, and Maths

Skills

Programming	C, Java, Haskell, Python, JavaScript, SQL, Matlab.
Technologies	HTML/CSS, NodeJS, React.
Soft Skills	Time Management, Teamwork, Problem-solving, Critical Thinking.

Academic Projects

Spelling Correction Tool for the Telugu Language

IIIT, Sricity

- This tool corrects spelling errors using n-gram-based indexing.
- **Technical Skills:** Programming, Python, Data Preprocessing
- **Soft Skills:** Time Management, Teamwork, Presentation skills, Report writing.

E-commerce Web Application

IIIT, Sricity

- **Technical Skills:** HTML/CSS, Nodejs, JavaScript, MongoDb, SQL, React, Redux.
- **Soft Skills:** Presentation skills, Leadership, Teamwork, Logical Thinking.

Efficient Library Management System

IIIT, Sricity

- Terminal Based Library management application that efficiently satisfies the library management system's needs.
- **Technical Skills:** Java, Mysql.
- **Soft Skills:** Report writing, Logical Thinking, Critical Thinking.

Work Experience

Tutorialspoint   *Hyderabad, India*

Technical Content Writer   *Sept 2022 - Dec 2022*

- Published articles on Haskell Programming Language and helping the geeks witness the power of Functional Programming Language
- **Technical Skills:** Haskell, Functional Programming, Technical Content Writing.
- **Soft Skills:** Problem Solving, Time Management, Comminication skills.

Geeksforgeeks   *Indore, India*

Technical Content Writer   *Mar 2022 - Oct 2022*

- Published articles on Computer Networks, web technologies and programming.
- **Technical Skills:** Java, Computer Networks, Web Development, Programming.
- **Soft Skills:** Time Management, Communication, Logical Thinking, Problem solving.
